GREENEVILLE.

Entertainment and May Social at Swedish Lutheran Church-Midnight Inspection at Fire Station-Local

The Snofried Young People's society of the Swedish Lutheran church held an enjoyable May social and entertainment Saturday evening. In the entertainment programme, which came first and was held in the church, there were a number of recitations and musical selections. There was a pleasing violin solo by Frank Benson and entertaining recitations by son and entertaining recitations by Misses Annie Pearson and Heiga Wes-bury. The Swedish Harmony club gave a number of finely rendered gave a number of finely rendered songs during the evening and there was music by an orchestra, comprising Frank Benson and William Hjulstrom, violinists Richard Pearson, cornetist, and Miss Mabel Christianson, organist, After the entertainment the company descended to the basement, which was handsomely decorated in red, white and blue, and where a great variety of beautiful May bankets were sold to the highest bid. baskets were sold to the highest bid-ders. Refreshments of cake and cof-

fee were served.

There was a large attendance at the social, the proceeds from which will be added to the funds for the new parsonage, which is now being papered, and will be ready for occupancy by Rev. and Mrs. Olof Nordbiadh in a few

Inspection by Fire Officials.

A few minutes before twelve Saturday night an inspection of the local fire stations of Engine Co. No. 2 and Truck Co. No. 2 was made by Chief Stanton, accompanied by Mayor Lippitt and Fire Commissioners Hopkins, Potter and Biackledge. The party satisfied with the excellent condition in which they found the local stations.

Dayville Trelleymen Trimmed by Line-

The trolleymen of Dayville came J. Gown to Greeneville Sunday morning to trim the local linemen of the Connecticut company. But they had underestimated the ability of Capt. John M. If. Humphreys' Giants and they went back a few hours later beaten to the tune of 12-4, in a six-inning game. tune of 22-4, in a six-inning game, which was nothing but a batting hee to the local men. Foremost in the hitting line were Edwards, with a three-bagger, and J. Humphrey and Starr with doubles. Eddie Humphrey was touched for only one hit by the visitous and the poor backstop work of Wilson and the poor backstop work of Wilson and Barlow who was sent in for a few in the state of t

Fire Commissioners Inspect Stations

Visited the Stations Saturday Night at Midnight-Best Time Made was 40 Seconds at Chemical Co. No. 1-Each Company Ready to go Inside of a Minute.

Between 11 and 12 o'clock Saturday was box 23, which is the Franklin night, after the regular monthly meeting of the board of fire commissioners, they sprung a surprise on the de-partment by an automobile tour of all the houses in the city, ringing in an the houses in the city, ringing in an alarm at each one, and keeping a record of just how long it took at each house for the men to tumble into their clothes, slide down the poles and make the hitch, ready to drive out of the doors. His Honor, Mayor Lippitt, and Chief Stanton were also in the party, which was whisked around in Alderman A. L. Potter's automobile, Councilman C. Leslie Hopkins and Hugh Blackledge being the other-two of the commissioners with Alderman Potter.

When the test was all over a quite

Potter.

When the test was all over, a quite conclusive proof of the efficiency of the dopartment had been shown to the satisfaction of the commissioners and His Honor, Mayor Lippitt, who all agreed that they had not experienced so entertaining or so satisfying an evening for a long time. The general result showed that the apparatus in every one of the four houses of the paid department was ready to drive out inside of a minute, even on a midnight alarm, with the men all in bed and asleep, and the record for quick work was taken by Chemical company No. 1 at the Main street house, which made the hitch in 40 seconds.

Visited Falls First.

Visited Falls First. Starting out on their round, the party went first to the house of Chemical company No. 3, at the Falls. Everybody was found in bed here, when Chief Stanton slipped into the house and struck in box 37, while the commissioners epayed outside to look through the glass doors. The men tumbled down and were on the floor hitching beore the box had struck around, their time being 55 seconds. The general idea was to strike some box that would indicate a had section. box that would indicate a bad section for a fire, so as to test the men's nerve as much as possible, box 37 covering. Porter's carpenter shop. As far as possible in each case the mayor and the commissioners were kept out of sight of the men answering the alarm, but on one of two occasions the vis-

isight of the men answering the alarm, but on one of two occasions the vistors got so much interested that they crowded out into sight; but that made no difference to the firemen, who only worked the faster to make their hitch.

No. 2 Chemical, on West Main street was next visited, and box 7 struck in, which is the Mt. Pleasant street schoolhouse. One man was found on the floor when the party arrived, but be was pushed aside and not allowed to help. The alarm given the sitting room here, coming out when the alarm was struck, but they were not allowed to help. The alarm given

Fireman Was Taking a Bath Fireman Was Taking a Bath.

The central fire station was the last of the pald department buildings visited, and box 15, for corner of Main and Market streets, struck in. One permanent and one call man were found on the floor here, but were not allowed to help, and the hitch was made in 45 seconds. This was considered comparing most favorably with any of the others, as the horses at this station have to come 40 feet, which is farther than at any other house. One ludierous incident was the arrival of a call man on the floor direct from the

Chief Inspected Gasoline Engines
Chief Howard L. Stanton of the local fire department was in New Haven on Saturday, with the chiefs from all the cities of the state, who had been invited to see the test of a Westing-bouse gasoline fire engine, which was put into commission in the New Haven department immediately after the lest. This is the first engine of the kind in Connecticut, and only the second in New England, the other being at Brockton, Mass.

The test was eminently successful and the engine is regarded as the coming thing in fire engines, although it is yet somewhat in the experimental stage, and Chief Stanton's opinion is their it is wiser to wait until it has got beyond that before adopting it fully. It is horse drawn, and saves in weight from 1,200 to 1,500 phunds over a steam engine of the same size. The pressure developed from a \$6 pounds with from 1,200 to 1,500 phunds over a steam engine of the same size. The pressure developed from a \$6 pounds with the fact that is the transcendent blessing of humanity.

Save Motto to Sunday School.

Later, in the Sunday school or preparation which opped in the school as the processor of the school as the first engine of the same size. The pressure developed from a \$6 pounds with the school as hoose, I linch nossie, 165 pounds; with three 100 foot lines hose, 11-2 nozzles. The pressure developed from a \$6 pounds; with 500 foot lines hose, I want to give you our belief to the school as follows: "I want to give you our stand, The practical manual transfer in prayer, standing tests that some of us them stand. The preacher connected with my own church in Madura, a man of might in Christ, was a heathen twelve years ago.

"In the Together movement throughout the country, meetings of which were held in this city Monday. I was impressed with the fact that if Christians here would deny themselves as do the Christians gave cut of their depent preacher.

A large number of sorrowing rela A large number of sorrowing rela-tives and friends were gathered at the Sacred Heart church Sunday afternoon Sacred Heart church Sunday afternoon when at 2.30 the funeral services of Joseph Morin were solemnized by Rev. Arthur O'Keefe. In his sulogy Father O'Keefe paid tribute to the worth of the deceased. The Gregorian chant was sung during the services by the French choir. The bearers were these friends of the deceased William Desmarais, Frederick Thibeault, William Paradis, Anthime St. Germain, Emilien Molleur and Andre Arseneau. Burial was in St. Mary's cemetery. Funeral Director Grant was in charge of the arrange.

opened by hand and the whites are Bedford and Putnam were present at

Opening of May Devotions emony of the opening of the May desitions took place at the vesper service at the Sacred Heart church Sunday with a procession by young girls wearing white dresses and vells. During the month, which is thus consecrated to the Virgin Mary, there will be devotions each Tuesday evening at 7.30 and at the masses.

At the regular monthly meeting of the St. Jean Baptists society held Sunday afternoon in Parish hall there were seven new members initiated. Plans for a plenic in observance of the 25th anniversary of the founding of the society were discussed and June 19 or 26 were decided upon as the probable date. All the French suchies of Tatt-disincluding Garde reboomle have been invited to participate in the proposition which will precede the pionic after which all will go to the grounds of the German Shooting club which have been accounted for the second of the seco

which all will go to the grounds of the German Shooting club, which have been accured for the occasion.

The regular May meeting of the Sacred Heart T. A. B. society was held Sunday in the temperance rooms, with President Bryan Hanlon in the chair. The membership of the society was increased by the addition of one new member.

Brick Work Starts Today. The water tables having arrived, the late receipt of which is explained by the fact that they were quarried in Maine, Contractor Donovan will have them put in place today, after which the brick work will commence under the direction of Foreman John Ken-

Team Upset. The trolley car leaving Taftville at 4.50 frightened a horse on Norwich avenue in front of Krauss' saloon Sunday afternoon. The horse was estach

ed to a buggy, which collided with a post and furned over, throwing out the occupants, a man and his wife. Fortunately neither were seriously injured nor was the wagon badly damaged. The accident was due to the horse, which was green and evidently had not been broken in to the cars.

NORWICH TOWN.

Mission Work at Madura Described by Rev. Dr. Jones-Methodist Service -At the Sheltering Arms.

At the First Congregational church Sunday morning, Rev. C. H. Ewing introduced Dr. Jones of Madura as the author of several books of great im-

ludierous incident was the arrival of a call man on the floor direct from the bathroom, where he had been taking a bath. He came down trying to draw his breeches and rubber boots over his wet legs and without looking for any top coverings.

At each of the stations Alderman Potter left cigars, and the stir-up in the department took a long time to settle down, as the men sat up and talked over the events until the early morning hours.

At cach of the stations Alderman Potter left cigars, and the stir-up in the department took a long time to settle down, as the men sat up and talked over the events until the early morning hours.

taiked over the events until the early morning hours.

After all the paid department houses had been visited, the automobile party decided to see what was doing in Greenoville, visiting the two houses there and finding men up at each one. But as they have no horses in this part of the city it was not thought worth while to turn in any alarm.

Chief Inspected Gasoline Engine, Chief Howard L. Stanton of the local fire department was in New Haven on Saturday with the chiefs from all the cities of the state, who had been invited to see the test of a Westinghouse gasoline fire engine, which was ago.

Jones taught a class which used to be Mrs. Harriet Hyde Zumbro's class. He spoke a few words to the school as follows: "I want to give you our Welsh motto. I was born in Wales and this is the motto that sent me to India: The Bible to every soul on earth, (The motto was given first in Weish.) "There are nearly 9,000 children in There are hearly \$,000 children in the mission schools of India They learn Bible verses every day. On the first of January the schools gather and receive prizes for their work. Some boys can recite one hundred and fifty verses besides the Golden Text for the year and parts of extraoner.

the year and parts of sermons." Amen the Same in Ail. Dr. Jones in closing recited the Lord's Prayer in the Tamil language of India, saying that "Amen" is the same in all languages. He also sang two hymns in the Tamii language.

A real education in the art of corsetry—how to choose and fit the right model, and how to be shapely and fashionably slender with the utmost comfort,

"Nemo Week" is being cele-brated in good stores throughout the country—It is a fashion-event of real importance.

Corsets in the Nemo 'New American Shape' are recognized in every fashion-centre of Europe and America as producing the correct contour for the fashions of 1909. Come and see them.

Don't mics Nemo Week! Wo'll
